Side

Like any self help book, the difficult part is making a change in your thinking and sustaining that change. I like the last part of the book called "A Whack on the Other Side of the Head" which addresses the fact that creativity alone is not enough - you actually need to implement your best creative ideas.

A Whack on the Side of the Head is a book that deserves some time. If you rush this book, you will miss much of its value. Roger von Oech uses a combination of explanation, puzzles, and irreverent artwork in his treatise on creative thinking. People who consider themselves creative will instantly take to this book.

Summary We don't
need to be creative for
most of what we do,
but when there is a
need to "think
something different,"
our own attitudes can
get in the way. I call
these attitudes mental
locks. Mental locks can
be opened in one of
two ways.
