Adult education, in the broadest sense, is any form of learning adults engage in beyond traditional schooling that ends in their 20s. In the narrowest sense, adult education is about literacy—adults learning to read the most basic materials. Thus, adult education encompasses everything from basic literacy to personal fulfillment as a lifelong learner and the attainment of advanced degrees.

Adult education, distinct from child education, is a practice in which adults engage in systematic and sustained self-educating activities in order to gain new forms of knowledge, skills, attitudes, or values. It can mean any form of learning adults engage in beyond traditional schooling, encompassing basic literacy to personal fulfillment as a lifelong learner. In particular, adult education reflects a specific philosophy about learning and teaching based on the assumption that adults can and w

Adult education - Wikipedia
Adult education empowers individuals to become self-sufficient, with skills necessary for future employment and personal successes. We assist adults to become literate and obtain the knowledge and skills necessary for employment and self-sufficiency while completing a secondary education.
