The rich story of the men and women who settled and built the Golden State is told in this engaging chronicle, from the first native inhabitants that arrived 9,000 years ago and the Spanish in the 1700s to the followers of the Gold Rush in 1848 and the Hollywood and Silicon Valley newcomers. They faced many struggles—including earthquakes, economic hardships, and the forced internment of Japanese citizens—yet they persevered. To get a better idea of the scope of California history and the lives of the state's residents, children will create a Chumash rock painting, play the Miwok game of Hoop and Pole, bake and eat hardtack like a gold miner, design a cattle brand, assemble an earthquake preparedness kit, and more. This valuable resource also includes a time line of significant events, a list of historic sites to visit or explore online, and Web resources for further study.

California Out of the Box uses story as a basis for an interdisciplinary exploration of Golden State history, life and earth science, geography, social studies, the arts, and more! The content spans prehistory through the 1930s. This homeschool/progressive education curriculum includes a teacher guide with comprehension questions, reproducible student pages (for within a family), and answer keys; it is geared for students in grades 3-6, but suggestions are included for families with younger siblings. Note: families must purchase the 8 historical fiction and resource books separately, or request them from their local library.

California's history from the discovery days through statehood.

A National Book Award finalist by Newbery Medalist Kate DiCamillo. Walking through the misty Florida woods one morning, twelve-year-old Rob Horton is stunned to encounter a tiger—a real-life, very large tiger—pacing back and forth in a cage. What's more, on the same extraordinary day, he meets Sistine Bailey, a girl who shows her feelings as readily as Rob hides his. As they learn to trust each other, and ultimately, to be friends, Rob and Sistine prove that some things—like memories, and heartache, and tigers—can't be locked up forever. Featuring a new cover illustration by Stephen Walton and an excerpt of Kate DiCamillo's newest novel, Raymie Nightingale.

Bring history to life for students in grades 4-7 with The California Gold Rush! Over the years the earth has moved many times under San Francisco. But it has been thirty-eight years since the last strong earthquake. People have forgotten how bad it can be. But soon they will remember. Based on actual events of the 1906 San Francisco earthquake and told from the alternating perspectives of two young friends, the earth dragon awakes chronicles the thrilling story of the destruction of a city, and the heroes that emerge in its wake.

Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.

"Illustrated in color throughout, The California Missions: History, Art, and Preservation combines engaging text with historical paintings, archival photographs, and recent photography to create a vivid chronicle of these iconic institutions. The narrative recounts their founding and early history, surveys mission art and architecture, and examines their role in shaping the history and culture of California. A final chapter discusses recent advances in preserving the mission heritage for future generations. The second part of the book provides concise historical profiles for each of the twenty-one missions." --Book Jacket.
