Describing Words. The idea for the Describing Words engine came when I was building the engine for Related Words (it's like a thesaurus, but gives you a much broader set of related words, rather than just synonyms). While playing around with word vectors and the "HasProperty" API of conceptnet, I had a bit of fun trying to get the adjectives which commonly describe a word.

Presents a collection of poetry and artwork done by children and teenagers for the River of Words project.

Extraordinary examples of children's creativity Water--in all its splendid forms--is the subject and inspiration behind the alluring artwork and astounding poetry presented in River of Words: Images and Poetry in Praise of Water. Rivers, lakes, oceans, rain, and tears come alive in pages of verse and full-color art. This collection is all the more remarkable because it was created by surprisingly young poets and artists. Culled from the annual River of Words(TM) art and poetry contest, here is an exceptional selection of creative work from young people (ages 5-19) across America and around the world. Both children and adults will appreciate and enjoy the creative results of children experiencing and exploring water as part of the environment. River of Words: Images and Poetry in Praise of Water offers all of us a visual and visceral experience. An epilogue by Pamela Michael, addressed to parents and teachers, discusses how to inspire great art and poetry from kids. River of Words(TM) was co-founded in 1995 by Robert Hass, U.S. Poet Laureate (1995-1997), and writer Pamela Michael to promote literacy, the arts, and environmental awareness. River of Words conducts an annual international poetry and art contest for students K-12. To learn more, visit them at www.riverofwords.org.

In thirteenth-century Sri Lanka, Asanka, poet to the king, lives a life of luxury, enjoying courtly life and a sweet, furtive love affair with a palace servant, a village girl he is teaching to write. But when Magha, a prince from the mainland, usurps the throne, Asanka's role as court poet dramatically alters. Magha is a cruel and calculating king--and yet, a lover of poetry--and he commissions Asanka to translate a holy Sanskrit epic into the Tamil language spoken by his recently acquired subjects. The poem will be an olive branch--a symbol of unity between the two cultures. But in different languages, in different contexts, meaning can become slippery. First inadvertently, then deliberately and dangerously, Asanka's version of the epic, centered on the killing of an unjust ruler, inspires and arouses the oppressed people of the land. Asanka must juggle the capricious demands of a king with the growing demands of his own political consciousness--and his heart--if he wishes to survive and imagine a future with the woman he loves. The first novel from a remarkable young writer, River of Ink is a powerful historical tale set in the shadow of oppression--one with deep allegorical resonances in any time--celebrating the triumph of literature and love.

River captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," Peace Like a River is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*).

From the instant #1 New York Times bestselling author of the "eerie and fascinating" (USA TODAY) *The Thirteenth Tale* comes a "swift and entrancing, profound and beautiful" (Madeline Miller, internationally bestselling author of *Circe*) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. *Once Upon a River* is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of *The Light Between Oceans*).

where she worked in a factory and fell in love with the married owner, Boss Yeung. Now she ' s carrying his baby. To ensure that his child—his first son—has every advantage, Boss Yeung has shipped Scarlett off to give birth on American soil. As Scarlett awaits the baby ' s arrival, she spars with her imperious housemates. The only one who fits in even less is Daisy, a spirited, pregnant teenager who is being kept apart from her American boyfriend. Then a new sonogram of Scarlett ' s baby reveals the unexpected. Panicked, she goes on the run by hijacking a van—only to discover that she has a stowaway: Daisy, who intends to track down the father of her child. The two flee to San Francisco ' s bustling Chinatown, where Scarlett will join countless immigrants desperately trying to seize their piece of the American dream. What Scarlett doesn ' t know is that her baby ' s father is not far behind her. A River of Stars is a vivid examination of home and belonging and a moving portrayal of a woman determined to build her own future. Praise for A River of Stars “ Vanessa Hua ' s story spins with wild fervor, with charming protagonists fiercely motivated by maternal and survival instincts. ” —USA Today “ A River of Stars is the best of all worlds: part buddy cop adventure, part coming-of-age story and part ode to female friendship. ” —NPR “ Hua ' s epic A River of Stars follows a pair of pregnant Chinese immigrant women—two of the more vibrant characters I ' ve come across in a while—on the lam from Los Angeles to San Francisco ' s Chinatown. ” —R. O. Kwon, author of The Incendiaries, in Esquire “ A delightful novel of motherhood and Chinese immigration . . . Without wading into policy debates, Ms Hua dramatises the stories and contributions of immigrants who believe in grand ideals and strive to live up to them. ” —The Economist
