THE NEW YORK TIMES BESTSELLER “Izzard is one of the funniest people alive, a talented actor, a sharp cross-dresser, an experienced marathon runner, and a great writer. You will have to read this if only to find out what a jazz chicken is.”—The Philadelphia Inquirer With his brand of keenly intelligent humor that ranges from world history to historical politics, sexual politics, mad ancient kings, and chickens with guns, Eddie Izzard has built an extraordinary fan base that transcends age, gender, and race. Writing with the same candor and insight evident in his comedy, he reflects on a childhood marked by the loss of his mother, boarding school, and alternative sexuality, as well as a life in comedy, film, politics, running and philanthropy. Honest and generous, Believe Me is an inspired account of a very singular life thus far.

"Critically acclaimed, award-winning British comedian and actor Eddie Izzard details his childhood, his first performances on the streets of London, his ascent to worldwide success on stage and screen, and his comedy shows which have won over audiences around the world"--

As heard on BBC Radio Four - Book of the Week . . . A memoir of love, death and jazz chickens, Eddie Izzard's fabulous Believe Me is his ONE AND ONLY AUTOBIOGRAPHY . . . -----
'I know why I'm doing all this,' I said. 'Everything I do in life is trying to get her back. I think if I do enough things . . . that maybe she'll come back.' When Eddie Izzard was six, he and his brother Mark lost their mother. That day, he lost his childhood too. Despite or perhaps because of this, he has always felt he needed to take on things that some people would consider impossible. In Believe Me, Eddie takes us on a journey which begins in Yemen (before the revolution), then takes us to Northern Ireland (before The Troubles), England and Wales, then across the seas to Europe and America. In a story jam-packed with incident he tells of teddy bear shows on boarding school beds, renouncing accountancy for swordfighting on the streets of London and making those first tentative steps towards becoming an Action Transvestite, touring France in French and playing the Hollywood Bowl. Above all, this is a tale about someone who has always done everything his own way (which often didn't work at first) and, sometimes almost by accident but always with grit and determination, achieving what he set out to do. Brimming with the surreal humour and disarming candor of his shows (with occasional digressions), Believe Me tells the story of a little boy who lost his mother yet who has risen to become a star of comedy and drama, a leading advocate of total clothing rights, a British European and extreme runner of marathons, who bestrides the world stage as a world stage bestrider. 'King of the Universe . . . Comic genius . . . Entertainment incarnate' Telegraph

From the star of *The Real Housewives of Beverly Hills* comes an emotional and eye opening behind-the-scenes look at her descent into uncovering the mystery of chronic Lyme disease. In early 2011, Yolanda was struck by mysterious symptoms including brain fog, severe exhaustion, migraines and more. Over the months and years that followed, she went from being an outspoken, multi-tasking, hands-on mother of three, reality TV star, and social butterfly, to a woman who spent most of her time in bed. Yolanda was turned inside out by some of the country's top hospitals and doctors, but due to the lack of definitive diagnostic testing, she landed in a dark maze of conflicting medical opinions, where many were quick to treat her symptoms but could never provide clear answers to their possible causes. In this moving, behind the scenes memoir, Yolanda Hadid opens up in a way she has never been able to in the media before. Suffering from late stage Lyme, a disease that is an undeniable epidemic and more debilitating than anyone realizes, Yolanda had to fight with everything she had to hold onto her life. While her struggle was lived publicly, it impacted her privately in every aspect of her existence, affecting her family, friends and professional prospects. Her perfect marriage became strained and led to divorce. It was the strong bond with her children, Gigi, Bella and Anwar, that provided her greatest motivation to fight through the darkest days of her life. Hers is an emotional narrative and all-important read for anyone unseated by an unexpected catastrophe. With candor, authenticity and an unwavering inner strength, Yolanda reveals intimate details of her journey crisscrossing the world to find answers for herself and two of her children who suffer from Lyme and shares her tireless research into eastern and western medicine. *Believe Me* is an inspiring lesson in the importance of having courage and hope, even in those moments when you think you can't go on.

What would happen if we believed women? A groundbreaking anthology offers a potent rallying cry and theory of change Harvey Weinstein. Brett Kavanaugh. Jeffrey Epstein. Donald Trump. The most infamous abusers in modern American history are being outed as women speak up to publicly expose behavior that was previously only whispered about -- and it's both making an impact, and sparking a backlash. From the leading, agenda-setting feminist editors of *Yes Means Yes*, *Believe Me* brings readers into the evolving landscape of the movement against sexual violence, and outlines how trusting women is the critical foundation for future progress. In *Believe Me*, contributors ask and answer the crucial question: What would happen if we didn't just believe women, but acted as though they matter? If we take women's experiences of online harassment seriously, it will transform the internet. If we listen to and center survivors, we could revolutionize our systems of justice. If we believe Black women when they talk about pain, we will save countless lives. With contributions from many of the most important voices in feminism today, *Believe Me* is an essential roadmap for the #MeToo era and beyond.

In this twisty psychological thriller from the New York Times bestselling author of *The Girl Before*, an actress plays both sides of a murder investigation. “[A] rich, nuanced, highly literary take on the *Gone Girl* theme.”—Booklist (starred review) Claire Wright is desperate. A British drama student in New York without a green card, she takes the only job she can get: working for a firm of divorce lawyers, posing as an easy pickup in hotel bars to entrap straying husbands. But then the game changes. When one of her targets becomes the suspect in a murder investigation, the police ask Claire to use her acting chops to lure him into a confession. From the start, she questions the part she's being asked to play: Is Patrick Fogler a killer? Or is there more to this setup than she's being told? Claire will soon realize she is playing the deadliest role of her life. Praise for *Believe Me* “For readers who enjoyed the paranoia factor in A. J. Finn's *The Woman in the Window* or the unreliable narrator of Paula Hawkins's *The Girl on the Train*.”—Library Journal “Produces a bobsled run's worth of twists.” —Publishers Weekly “An intense, stylish psychological thriller.”—Good Housekeeping “A dark and haunting thriller . . . A superb evocation of conflicted emotions, this never lets you guess what's coming next.”—Daily Mail “I so enjoyed it—what a twisty, exciting read.”—Sabine Durrant, author of *Lie With Me*

Sherry Spence-Brownell's *Why Won't You Believe Me?* is the one woman's dramatic account of how

she dealt with a rare and life-threatening disease and how she had to fight with a doctor who wouldn't believe her...or help her.

#1 WALL STREET JOURNAL BESTSELLER • NEW YORK TIMES BESTSELLER • USA TODAY BESTSELLER ARE YOU READY TO BELIEVE IN YOU? “Game-changing. Authentic. A must-read for every woman! Jamie is the real deal—and that’s rare.” —Glennon Doyle, #1 New York Times bestselling author of *Untamed* “Raw. Real. Powerful. Filled with vulnerability and grit. This book will inspire you to believe in your own power. It’s a book every woman needs!” —Sara Blakely, Founder Spanx Imagine overcoming the things holding you back, breaking through the barrier of self-doubt and fully becoming the person YOU were BORN TO BE! In *Believe IT*, Jamie Kern Lima, founder of IT Cosmetics, shares the wild but true story of how a once struggling waitress turned her against-the-grain idea into an international bestselling sensation, eventually selling the company for over a billion dollars and becoming the first female CEO of a brand in L’Oréal’s 100+ year history. Faced with self-doubt, body-doubt, God-doubt, down to her last few dollars and told “No one is going to buy makeup from someone who has your body,” Jamie reveals for the first time what really went down, how she almost didn’t make it, how she learned to trust herself, and the powerful lessons you, too, can use to go from underestimated to unstoppable. With radical vulnerability and honesty, Jamie takes you on a journey through deeply personal stories of heartbreak and resilience—including accidentally finding out she was adopted when she was in her twenties and the reverberations this has had on all aspects of her life. Jamie also pulls back the curtain on her fight to change the beauty industry’s use of unrealistic images, on behalf of all the little girls who are about to start doubting themselves, and all of the grown women who still do. Spellbinding, riveting, with raw vulnerability and down-to-earth warmth, *Believe IT* shakes your soul and shows you that you, too, have what it takes to believe in yourself, trust yourself, and go from doubting you’re enough to knowing you’re enough! Do you have big goals, hopes, and dreams but let rejection get in the way? Do you struggle with feeling like you’re not enough and like success is something that happens to other people, but have a hard time believing it’s possible for you? Do you let past mistakes and failures hold you back? Do you know deep down inside that you were created for more, but somehow still doubt yourself? In *Believe IT* you’ll discover how to... -Overcome self-doubt -Gain the courage to take risks, an empower yourself and others -Tune into and trust your own intuition -Let go of your mistakes and insecurities -Turn down the volume on your inner critic -Handle the rejection, the haters, and the mean girls -Boost your confidence -Start your dream (and keep going!) -And much more... ?If you’ve ever doubted yourself or felt truly underestimated, this book will inspire a new kind of belief and confidence in you and your dreams!

When Jeremy Camp lost his beloved wife, Melissa, just months after their wedding, the last thing he wanted to do was sing praise to God. But even as he struggled through unimaginable grief and fought to hold on to his faith, God had other plans: Pick up your guitar. I have something for you to write. Jeremy obeyed, pouring out his heart, writing about the hope that God was still there, even in his deepest grief. The song he wrote that day, “I Still Believe,” has gone on to inspire millions around the world. This is the story behind that song and the movie that was inspired by it. It’s an inside look at Jeremy’s life—from his difficult childhood and teenage years to the tragic passing of Melissa and the spiritual journey that followed, which inspired some of his best-loved songs and led him, eventually, to find love again. *I Still Believe* is a powerful heart-wrenching book about the strength of undying love and the power of faith.
