How do democracies form and what makes them die? Daniel Ziblatt revisits this timely and classic question in a wide-ranging historical narrative that traces the evolution of modern political democracy in Europe from its modest beginnings in 1830s Britain to Adolf Hitler’s 1933 seizure of power in Weimar Germany. Based on rich historical and quantitative evidence, the book offers a major reinterpretation of European history and the question of how stable political democracy is achieved. The barriers to inclusive political rule, Ziblatt finds, were not inevitably overcome by unstoppable tides of socioeconomic change, a simple triumph of a growing middle class, or even by working class collective action. Instead, political democracy’s fate surprisingly hinged on how conservative political parties – the historical defenders of power, wealth, and privilege – recast themselves and coped with the rise of their own radical right. With striking modern parallels, the book has vital implications for today’s new and old democracies under siege.

With over 120 expert contributors drawn from centres of excellence around the world, this comprehensive textbook provides physicians with detailed practical guidance for the management of postpartum hemorrhage.

Presents a groundbreaking investigation into the origins of morality at the core of religion and politics, offering scholarly insight into the motivations behind cultural clashes that are polarizing America.

Innovative, stimulating, and easy to read, Human Rights Law Directions covers everything the law student new to the subject needs to know. A range of chapter features including 'case close-up' and 'discussion topic' boxes highlight key concepts and legal complexities.

This text embraces the philosophy of 'active' conservative care and a multidisciplinary team approach to treatment. It addresses site specific sports injuries, as well as diagnostic imaging, strength and conditioning, nutrition and steroid use.

With your heavy case load, you can't afford to waste time searching for answers. Cardiology, 3rd Edition, by Drs. Crawford, DiMarco, and Paulus, offers you just the practical, problem-based guidance you need to quickly overcome any clinical challenge. 8 color-coded sections cover the 8 major clinical syndromes of cardiovascular disease—each section a virtual “mini textbook” on its topic! 40 new chapters keep you up to date with the latest advances in the field, while more than 2,000 lavish, high-quality illustrations, color photographs, tables, and ECGs capture clinical manifestations as they present in practice. It’s current, actionable information that you can put to work immediately for your patients! Offers a problem-based approach that integrates basic science, diagnostic investigations, and therapeutic management in one place for each cardiovascular disease so you can quickly find all of the actionable knowledge you need without flipping from one section to another. Features introductory bulleted highlights in each chapter that present the most pertinent information at a glance. Presents abundant algorithms to expedite clinical decision making. Includes more than 2,000 lavish, high-quality illustrations, color photographs, tables, and ECGs that capture clinical manifestations as they present in practice, and promote readability and retention. Includes 40 new chapters including Inherited Arrhythmia Syndromes, Implantable Cardioverter-Defibrillators and Cardiac Resynchronization Therapy in CHD, Management of the Cyanotic Patient with CHD, Special Problems for the Cardiology Consultant Dealing with Bariatric/Gastric Bypass — and many more — that equip you with all of the latest knowledge. Presents “Special Problem” sections—many new to this edition—that provide practical advice on problems that can be difficult to treat.

Why are Americans so angry with each other? The United States is caught in a partisan hyperconflict that divides politicians, communities—and even families. Politicians from the president to state and local office-holders play to strongly-held beliefs and sometimes even pour fuel on the resulting inferno. This polarization has become so intense that many people no longer trust anyone from a differing perspective. Drawing on his personal story of growing up as a fundamentalist Christian on a dairy farm in rural Ohio, then as an academic in the heart of the liberal East Coast establishment, Darrell West analyzes the economic, cultural, and political aspects of polarization. He takes advantage of his experiences inside both conservative and liberal camps to explain the views of each side and offer insights into why each is angry with the other. West argues that societal tensions have metastasized into a dangerous tribalism that seriously threatens U.S. democracy. Unless people can bridge these divisions and forge a new path forward, it will be impossible to work together, maintain a functioning democracy, and solve the country’s pressing policy problems.
