where he finds an over-sized gargoyle that keeps drawing him in. After learning that they were created to protect people from demons and evil spirits, he can't seem to shake the image of the old stone bird and its presence weaves itself into the stories Liam tells himself and others, so much so that Liam starts to believe that it might be alive. Shy Liam's only means of confidence during shared story time is to tell tales of the gargoyle. His classmate mock him at first but are soon are captivated by his storytelling, and his teacher's slight nods of encouragement fuel Liam's belief in the bird and lead him to think that she knows a thing or two about the old bird herself. As his home life gets harder and the bullies more relentless the gargoyle seemingly brings Liam's stories to life-swooping in to protect and defend him in the most unexpected ways. But is the old stone bird really alive, or is it just Liam's imagination finding ways to help him through a difficult time?

“ Will the tiger be menacing; will the ocean be threatening; will the island be something out of Frankenstein or will it be an Eden? ” —Yann Martel *Life of Pi*, first published in 2002, became an international bestseller and remains one of the most extraordinary and popular works of contemporary fiction. In 2005 an international competition was held to find the perfect artist to illustrate Yann Martel ' s Man Booker Prize – winning novel. From thousands of entrants, Croatian artist Tomislav Torjanac was chosen. This lavishly produced edition features forty of Torjanac ' s beautiful four-color illustrations, bringing *Life of Pi* to splendid, eye-popping life. Tomislav Torjanac says of his illustrations: “ My vision of the illustrated edition of *Life of Pi* is based on paintings from a first person ' s perspective—Pi ' s perspective. The interpretation of what Pi sees is intermeshed with what he feels and it is shown through [the] use of colors, perspective, symbols, hand gestures, etc. ”
