Children will love coloring their very own Easter eggs any time of the year with these 12 original designs inspired by traditional Slovak folk art. These fun and whimsical designs depict Easter eggs decorated with butterflies, a variety of flowers, bubbles, chickens, waves, geometric patterns, and even eggs within eggs. Artist Betty Palatin's unique images range from simple to more complex, but all are appropriate for any age and skill level. Because of the format of printing only one image per sheet, colors won't bleed through. Now, whether you use crayons, pens, or colored pencils you won't have to worry about the colors on one image transferring to another. Once a design is complete, it's easy to remove from the coloring book to frame, pin up on a bulletin board or post to the fridge. Children can create true works of art using colors and color combinations that are limited only by their imagination. And, unlike dyed Easter eggs, these will last forever!
