teamwork are the keys to survival of any species, and the many ways we rely on one another. "Showing how different animals benefit from living and working in groups, Salyer's debut is a great example of the inventiveness possible in a nonfiction picture book."—New York Times Book Review Groups, packs, herds of millions, and more—our world teems with animals on land, air, and sea. Packs is an inspiring celebration of how togetherness helps many creatures thrive, in both nonhuman and human communities. Hannah Salyer's stunning selection reminds us that teamwork is universal, there is brilliance in biodiversity, and there is strength in numbers. Includes an author's note encouraging community engagement and activism, as well as a fun visual index of the animals featured.
