You can live on a lot less if you're not sending a large portion of your money to the Internal Revenue Service (IRS) every year. For most people, minimizing taxes in retirement does not have to be complicated. Follow these steps to help keep your tax bill low. This book fully describes TRIPLE ZERO(TM) plans (with ZERO contribution/income limits, ZERO stock market risk, and ZERO income taxes) which by themselves can transform almost any retirement. BUT... if you add either: the catapult iul add-on strategy in which banks will loan you 75% additional money to put towards retirement savings at super-low rates (not margin accounts)... or the private reserve strategy where each dollar of your retirement savings can earn returns in two places at the same time ...you could easily double your spendable retirement income

Includes all the latest updates and changes to the 2004 tax code Publishers Weekly called it "a can't-miss title."
