Intriguing The Viscount is set in London in the period shortly following Waterloo and Napoleon's final exile to St. Helena. While it is an excellent Regency-era romance, it also delves into some of the social issues of the day, including the grinding poverty experienced by the lower classes and the growing discontent among the middle class, in particular their distaste for the excesses and entitlement of the Ton.

The Viscounts were one of those odd pop/rock & roll hybrid groups that were common to both America and England at the end of the 1950s and the start of the '60s, but which always seemed to do better in England. The trio coalesced out of an eight-piece outfit called Morton Fraser's Harmonica Gang, based in London -- they were a variety act that were popular on television, and did a few world ...

to discover that his late brother had left him an inheritance of scandal. In the midst of dealing with that, he is called upon to serve his country further, undercover, to thwart a conspiracy instigated by a French spy. Between scandal and spying, there are days when he feels as if the war isn't over.... Lady Odette Marmont, beautiful daughter of a French aristocrat and an English Lady, has been raised by her aunt since her mother's death, and would prefer a book in a quiet library to a society Ball. But her aunt insists that, at 22, it is time she married, so, although disturbed by how changed her father is, since he returned from France, she steels herself to brave the Season. But Lady Odette's father has attitudes and interests which bring him into conflict with everything that Charlton and his friends hold dear - and Lady Odette is caught in the middle. Can Charlton and Odette find a way to explore their growing attraction, or will the tangle of scandal and treason tear them apart?

For Hudson, the newly titled Viscount Stildon, moving to England from India where he was born and raised was already an arduous enough endeavor. When he learns the fate of the racing empire he inherited along with his title depends upon him getting in the good graces of another stable owner, he's even more at a loss. The stable at the neighboring estate has been Miss Bianca Snowley's refuge for years, and when a strange man appears to be stealing the horses, she jumps to their protection without a second thought. Upon learning Hudson is actually the new owner, she can't help but be intrigued by the area's newest eligible bachelor. Any thought of romance is quickly set aside, however, when Hudson proposes they work together to secure suitable spouses for each other. As their friendship grows, Hudson and Bianca begin to reconsider what they truly want in life. But will societal expectations and the weight of their responsibilities keep them from pursuing their true desires?

In bestselling author Ella Quinn's intriguing new Regency trilogy, a dashing suitor must decide if love and marriage are mutually exclusive... Viscount Gavin Turley is convinced that love matches cause nothing but trouble. Still, after months of courting, he's fallen for Miss Georgie Featherston. He's passionate about her, in fact. But words of love are not an indulgence he will allow himself. When he presents Georgie with his marriage proposal, he will lead with his head--not his heart. His qualifications as a husband are excellent, after all. What could go wrong? No sooner does Gavin kneel on one knee than Georgie's heart goes aflutter with joy. Finally, the proposal she longed for had arrived. Yet Gavin seemed to be listing his credentials for a business partnership, not a romantic union. Without a declaration of love, Georgie can only reject his offer--unless the ladies of the ton, and Georgie's grandmama, have anything to do with it. For sometimes it takes a wiser eye to see the love behind a guarded heart--and a clever scheme to bring it out of hiding...

As a Lady of Virtue, Matilda Brooks swears to reform the most despicable man of her acquaintance, her brother-in-law, Sullivan Chase, Viscount Glenbrook. Well he may not be the most despicable, but he is certainly arrogant, flirtatious, and entirely too charming. To make matters worse, he has the irritating tendency to poke fun of her and rile her emotions as no other man does. However, when she confronts him, he laughs off her concern about his slothful ways. But when a carriage accident forces Sullivan to play knight to Tilly's damsel, his unexpected act of chivalry ends up costing them both their freedom. Her compromised reputation and his honorable declaration forces them into a marriage neither of

them wants. Which is most inconvenient, given that she has sworn to despise him forever.

For once the most obedient Jones sister means to cause trouble. She'd likely succeed, too...if only a certain overprotective viscount would get out of her way. A season in London is everything Miss Rebecca Jones has ever dreamt it might be. The gowns, the balls, the gentlemen callers. Why, even the oh-so-proper Viscount Bardon flatters her with his attentions. Only for show, of course, and merely as a favor to her family, to whom he is indebted. But chasing her through the streets of London while she seeks out her estranged mother? Surely that is going above and beyond. She'd like to rid herself of her self-appointed guard, but then again, when he distracts her with kisses it's hard to recall where the real adventure lies. With the gang of pirates...or in her viscount's arms.

Anthony Blake, Viscount Percival, is renowned throughout the ton for his handsome face and foppish ways. Only a select few know that beneath his foolish exterior is a keen intelligence able to ferret out diplomatic secrets for the Crown. A young lady's tarnished reputation might cost her everything in this first book in the *Disreputable Debutantes* series. Shy, bookish Sophie Brightwell is expected to make an advantageous match to improve her family's fortunes. However, Sophie's plans to make a spectacular debut go horribly awry when she and her three closest friends are expelled from a young ladies' academy for unbecoming conduct. Since the ton will be sure to close their doors on these disgraced debutantes, they determine that unconventional means need to be employed in the husband-hunting market. Rakehells—the beau monde's wickedest members—might be the only men willing to overlook a young lady's besmirched reputation. But how does one catch a rake? Nate Hastings, the devil-may-care Viscount Malverne, is the older brother of Sophie's best friend, fellow disgraced debutante Lady Charlotte. When a terribly foxed Nate accidentally compromises Sophie, Charlotte strikes a wicked bargain: in order to avoid a scandal and the parson's mousetrap, Nate must help Sophie snare a husband. But as Nate fulfills his obligation and begins to instruct the lovely Sophie in the art of luring rakes, he soon finds himself battling his own fierce attraction to her.

How to persuade the lady your interest is genuine? No easy task. Has the viscount met his match, or can he win and claim a wife? What do you do when your father has no faith in you? Ignore him. David, Suddards' father assumes—wrongly—that David gambles deep and has had an affair with a married lady before she has given her husband an heir. Enraged, his father issues an ultimatum. Marry within three months or lose everything that is not entailed. David refuses. If that's what his father thinks of him, he can go to the devil. He will marry when he is ready and not before. What a shock then, a year later, when the one woman he is interested in shows no interest in him! It's up to him to persuade her he's the right husband for her, and when he does...sparks fly. Can these two strong-willed people ever

learn how to compromise and find that in fact they are the perfect match?

Reeling from the death of her parents, eldest daughter Octavia strives to be a source of strength for her sisters. She defies their grandfather's high-handed meddling—and his desire to see the Staunton girls married. She forges her own path to independence, which leads to the gates of Caswell Hall. There, the governess has just quit her post, leaving a vacant spot in the local lord's household. Simon, Viscount Althorne, is impressed by the sensible, dark-haired beauty, and hires her to teach his wayward young niece. He resents the loss of his carefree bachelor days, and longs to see the child settled so that he may return to London. But one perfect English summer turns their plans upside down, and he becomes hopelessly drawn to the one woman he cannot have—the governess. Can Simon convince her that he is a gentleman worth loving? Will Octavia allow herself to fall for a man beyond her reach? Or will class and duty separate them forever?

**SHE WAS A VIRGIN** Kirsten Bond was a mother by virtue of adopting her late sister's child. No one knew Jeffrey wasn't really hers and she vowed never to reveal that his father was actually Rowe Sevrin, Viscount Aragon. But then she was assigned to work with the handsome viscount and she found herself falling for the enemy.... **AND A MOTHER** Rowe was puzzled by the flame-haired beauty's mixture of innocence and passion. As a mother, how could she be as inexperienced as she seemed? Nor could he deny the bond that immediately formed between him and Jeffrey—or his striking resemblance to the boy. Still, Rowe knew he never could have forgotten a woman like Kirsten...or could he?
