consequence of two decades of extraordinary friendship, and phenomenal glamor, this iconic collaboration is an intimate insight into the lives and minds of two of the world's definitive style leaders. Follow the journey of one of fashion's most extraordinary friendships, from early days backstage at the shows to behind-the-scenes glimpses of the ground-breaking editorials they continue to produce for the world's most respected magazines. Many photographs have been chosen from Testino's private archive and are published here for the first time. This book is Mario's personal homage to his greatest muse: a young girl that captured his heart and eye with her beauty, humor and spirit, and whose image in his photographs has captured imaginations the world over. Contents include: Foreword by Mario Testino Exclusive essay by Kate Moss Over 100 images in black-and-white and color, including many

This volume celebrates the work of illustrious portrait and fashion photographer Mario Testino. Uniting dynamic fairy tales and baroque photocomposition, the resulting images sizzle with sex appeal. Blessed with a rare talent for capturing the moment, Testino breaks down all barriers. As you peruse these memorable works you bear witness to the development of a complex artist. His striking photographs mesmerize with artfully staged, yet authentic sensuality. What he once found beautiful, now he finds merely tangential.

Snapping fabulous: Experience a world of glamour through

Testino's lens Mario Testino's boundless talent with a camera must be maddening for other photographers working in a highly competitive field, but he remains one of the most revered stars in his profession. Often imitated and never equaled, Testino is graced with a natural ability to float effortlessly from studio to backstage to after-party, producing stunning shots in any kind of situation. From royals to mega-celebrities, Testino has shot some of the world's most inaccessible subjects, always with an ease that betrays the complexity of the task. When Testino gets "in your face" he captures you at your best--and that is what makes him the best. This unorthodox collection of various images chosen by Testino from the span of his 30-year career reflects the diversity of his work, ranging from fashion and advertising shots to sexually-charged images and autobiographical photos. Full of color, life, and humor, this

a young and undiscovered Kate Moss, taken in the early 1990s by her then-boyfriend, Italian photographer Mario Sorrenti. Seen by Calvin Klein, the photographs gave life to the famous Obsession campaign, which launched Moss to international superstardom. Sumptuously reproduced in tritone and presented in a cloth-covered clamshell box, Kate is a stunning photographic portfolio of one of contemporary culture's most iconic figures. It includes tipped-on images on the book and clamshell box's covers, plus an introductory essay by Sorrenti, which puts the work in its uniquely personal context. This book, which celebrates the dawn of two legendary careers, and the start of the highly influential aesthetic of 1990s fashion photography, is a must-have for Kate Moss's fans, for fashion devotees, and for lovers of traditional portraiture and fashion photography.
