McConnell/Brue/Flynn has long set the standard for providing high-quality content to instructors and students all over the world. It has remained the most widely used principles of economics product as a result of persistent innovation. The 19th edition brought adaptive technology to the market for the first time with LearnSmart, a resource that ensures that every minute a student spends studying is the most efficient and productive time possible. Feedback from users in combination with the analysis of student performance data from the 19th edition's digital products significantly informed the revision of the 20th edition, resulting in a product expertly tailored to the needs of today's students. With the 20th edition, students and instructors will benefit from a new offering that expands upon the dynamic and superadaptive capabilities of LearnSmart: SmartBook, the first and only adaptive eBook. McConnell/Brue/Flynn's tradition of innovation continues with the 20th edition, providing market-leading content and digital mastery to benefit today's learners. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

McConnell, Brue and Flynn ' s Macroeconomics: Brief Edition, 2e comes from the same author team as the market-leading Principles of Economics textbook. Macroeconomics: Brief Edition tailors the core concepts from proven leader Macroeconomics, 19th edition to create a concise introduction to the course that is distinct in purpose, style, and coverage. Like the 19th edition, Macroeconomics: Brief Edition, 2e continues to be innovative while teaching students in a clear, unbiased way. Content and pedagogy have 3 main goals: help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Miller, Economics Today: The Macro View 16e remains committed to providing students with discussion and coverage of the most current issues and events. This text appeals to today's diverse student population by presenting ideas clearly, at an accessible level, and in the context of newsworthy applications.

McConnell, Brue, and Flynn' s Economics: Principles, Problems, and Policies is the #1 Principles of Economics textbook in the world. It continues to be innovative while teaching students in a clear, unbiased way. The 19th Edition builds upon the tradition of leadership by sticking to 3 main goals: Help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

For courses in Macroeconomics. Economics brought to life through real-world application Readers learn best when they see concepts applied to examples from their everyday lives, so Economics Today: The Macro View addresses real, cutting-edge issues while facilitating individual learning. The text shows readers how economics is front and center in their daily routines, while providing them with many ways to evaluate their understanding of key concepts covered in each chapter. The 19th Edition also includes a new emphasis on behavioral economics, along with all-new problems, vignettes, and features that engage readers and help them focus on the central ideas in economics today. Also available with MyLab Economics MyLab(tm) Economics is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyLab Economics does not come packaged with this content. Students, if interested in purchasing this title with MyLab Economics, ask your instructor for the correct package ISBN and Course ID. McConnell/Brue/Flynn ' s tradition of innovation continues with the 20th edition, providing market-leading content and digital mastery to benefit today ' s learners.

McConnell/Brue/Flynn has long set the standard for providing high-quality content to instructors and students alike. With the 21st edition, we ' ve pushed the envelope by providing dynamic and adaptive learning tools through Connect®and SmartBook®. We also understand that instructors teach macro in different ways and to meet that need we ' ve provided a two-path macro approach to give faculty flexibility to cover the AD/AS or the Keynesian model. Our comprehensive step-by-step approach provides students with a building block method to learning economics where the authors are patient in explaining the theory and models thoroughly before jumping ahead. The new 21st edition is comprehensive, analytical, and challenging yet fully accessible to a wide range of students. We now have an expanded and enhanced Connect Economics platform that provides a host of tutorial Videos and engaging Interactive Graphing questions featuring real data.

McConnell/Brue/Flynn has long set the standard for providing high-quality content to instructors and students all over the world.
