Goldstein shares the wisdom of his four decades of teaching and practice in a book that will serve as a lifelong companion for anyone committed to mindful living and the realization of inner freedom. Goldstein's source teaching is the Satipatthana Sutta, the Buddha's legendary discourse on the four foundations of mindfulness that became the basis for the many types of Vipassana (or insight meditation) found today. Exquisite in detail yet wholly accessible and relevant for the modern student, Mindfulness takes us through a profound study of: Ardency, clear knowing, mindfulness, and concentration—how

mindfulness as a skill to help people with their problems. Despite this, not everyone is sure how to incorporate mindfulness effectively into their daily lives. Giving simple explanations, examples and exercises, *Using Mindfulness Skills in Everyday Life* shows clearly how this is done. The book, written by two NHS clinicians experienced in teaching mindfulness, takes a down-to-earth approach, providing straightforward answers to the most commonly asked questions. The authors give definitions of mindfulness and guide people through instructions on how to set up and evaluate simple practices. As each

component is taught, they provide examples of real-life situations, so the reader can clearly see how to be more mindful as they face the ups and downs of modern living. This practical guide is essential reading for anyone who wants to learn mindfulness to help with difficulties and challenges. It is also the perfect book for therapists, coaches, teachers, social workers, nurses, psychiatrists and psychologists to recommend to their clients. The book is ideal for students on clinical training courses.
