Tulisa Contostavlos is one of the most fascinating and shocking life-stories in showbusiness. Her childhood included harrowing episodes of self-harm, bullying, witchcraft, drug abuse and suicide attempts. Then there has been the ever-present challenge of her mother's mental disorder which Tulisa - as the only child in a single-parent family - had to face alone. How did she rise from such a troubled and dangerous childhood to become first an edgy urban artist and then the much-loved people's princess of Saturday night television? This book, written by leading celebrity biographer Chas Newkey-Burden, tells her eventful and inspirational story for the first time. It uncovers the rich showbusiness heritage of her ancestors and then follows her through her childhood, unflinchingly examining the horrors she faced. It then traces how music became her salvation, thanks to the loving mentorship of Uncle B - the man who formed N-Dubz. The book then follows this never satisfied, always ambitious young woman as she moved into the mainstream and became the nation's sweetheart on The X Factor. The reader is taken behind the scenes to discover the reality of her successful first series on the show, as she guided Little Mix to victory,With a fine cast of supporting characters including Dappy, Fazer, Gary Barlow and Simon Cowell, this is a colourful, entertaining, insightful and shocking portrait of one of Britain's most popular female celebrities.

Great Britain's national treasure Gary Barlow, OBE has achieved unrivalled success with boyband Take That, as a solo artist and songwriter, and as a judge on The X Factor. However, the path of fame is rarely easy, and although Gary's journey has been full of inspiring highs, there have been distinct and crushing lows, too.In this fully updated biography, Justin Lewis offers a valuable insight into the life and loves of the singer-songwriter, including his time spent with his young family, his dedication to fundraising for charity and his recent endeavours in musical theatre. Tulisa Contostavlos is the most remarkable new star in the country today. She was an eleven-year-old schoolgirl when her Uncle Byron offered her £20 to be the singer in a new band with son Dappy and his friend Fazer. She held out for £50 and started on a rollercoaster ride to fame that led to her becoming an 'overnight' sensation on The X Factor. Tulisa is the first biography of a girl determined to leave behind a life in which underage sex, smoking weed, drinking cider and bullying were the norm. Her love of music and an unwavering desire to make money, buy a house of her own and drive a sports car provided her with the incentive to escape. The UK's leading celebrity biographer, Sean Smith, has discovered that behind the tough exterior and dazzling smile is a funny, loyal and sensitive young woman. He has travelled to the leafy streets of fashionable Belsize Park in North West London to uncover the truth about her upbringing, her relationship with her musician father, who left home when she was nine, and the mother who abandoned a singing career because of ongoing mental health problems, and whom Tulisa says she loves 'with all my heart'. He tells the story of N-Dubz and their mentor 'Uncle B', who tragically died on the threshold of their success. They rose to become one of the most popular bands in the UK without ever capturing a mainstream audience, but their American adventure ended in disappointment. Tulisa describes her failed love affairs, her mercurial relationship with controversial cousin Dappy, her bond with sometime boyfriend Fazer and a cast of characters including Chipmunk, Tinchy Stryder and Mr Hudson, who make up the urban music scene she embraced. The book relives her X Factor triumph as mentor to the winners Little Mix, her feud with fellow judge Kelly Rowland, her fashion triumphs and disasters and her brave response to the online release of a sex tape. Tulisa is the gripping and inspirational story of how a lonely and bullied young girl transformed herself into 'The Female Boss' - a role model for a generation.

Excerpt: "I Need You" is a song performed, written and produced by MOBO Award-winning English hip hop trio, N-Dubz. The song was written by all the group members: Dappy, Fazer and Tulisa. Dappy and Fazer have been noted as the track's producers. Released through All Around The World on November 9, 2009, "I Need You" acted as the group's eighth official single as well as the lead single from their Platinum-certified second album, Against All Odds. The song was written by all the members of the group, and produced by members Dappy and Fazer. The track is composed in the key of A-minor with a tempo of 130 beats per minute. The track has a vocal structure of intro - verse - chorus - verse - chorus - bridge - chorus - outro. Tulisa Contostavlos is one of the most talented and high-profile recording artists working in the UK today. She has three platinum N-Dubz albums, four MOBO awards, a groundbreaking drama series, two documentaries, a MIND award and an X Factor judge's win under her belt. Not bad for a girl who's not yet twenty-four. But this is not just a tale of glittering success. Tulisa grew up on a tough London estate and left school with no qualifications as she struggled to cope with deep-seated emotional problems while caring for her mother alone. She has seen first hand what drugs, alcohol, gang culture and violent relationships can do to young people, but she has come through it all to become the confident, inspiring artist she is today. After taking her little muffins Little Mix to the winning spot of the X Factor at the end of 2011, and with her long-awaited solo album being released later this year, the future is bright for Tulisa. Told in her own words, this is her story.
