On the morning of the vernal equinox in 1899, Holmes is roused from his bed by Lestrade. The inspector has received a report of a girl brutally murdered at Stonehenge. Upon arriving at the famed site, Holmes discovers the body of a young woman. On her forehead, painted in blood, is a druidic symbol. On her side, also in blood, is a message written in a strange language that neither Holmes nor Lestrade can decipher. The girl was also eviscerated and her organs placed around her body. As a final touch,

branches from yew trees had been artistically arranged around the corpse. Holmes senses a malevolent force at work, but without data, he is powerless. As the weeks pass, he slowly gathers information about the ancient druids and Celtic mythology and begins to assemble a small army of experts to assist him. Expecting the killer to strike again on the summer solstice, Holmes and Watson travel to the Nine Ladies in Derbyshire, the site of another stone circle that harkens to druidic times. While they are holding their vigil, Lestrade and his men are off keeping watch over the stone circles at Avebury and several other locations. The Great Detective's worst fears are realized when on the morning of the summer solstice, he learns that the body of a young man has been discovered in the eye of the White Horse of Uffington. Like the first victim, he too has been marked with a druidic symbol and his body bears a message. Aside from the symbol and the message, the only other difference appears to be that his body and organs have been surrounded by willow branches. Realizing full well that a maniac reminiscent of the Ripper is on the loose, Holmes and Watson find themselves in a race against time as they try to locate the cult, identify the killer and prevent another tragedy.

year-old body was found preserved in England

The world wasn't prepared for a Prince of the Realm and a druid tree-elf to fall in love. In the midst of a war, their connection may be the only thing that can save the world. Raine was orphaned at birth, raised in the forest in the druid town Whisperleaf. With magic brimming from his fingertips, he was despised and reviled by his peers for his great power. Vanyel grew up as a Prince of the Northern Realms, third in line to the throne. He grew up carefree, without thinking that he would one day inherit the throne. But after his brothers passed away, Vanyel had to grow up and assume the mantle. The only thing he had to do to be a good Prince was to give up everything that made him who he was. When war wrested the capital city Illiador from Vanyel's hands by a vengeful wizard, he had to seek out help. And only one man could help him - Raine Druid-born. All he had to do was convince him humanity was worth saving.

When EVIL rises, GOOD needs a Hero. A thousand years ago, on the world of Claire-Agon, a war raged between men and dragons, destroying both the creatures and the land's many civilizations. Targon Terrel accepts his fate as a Ranger, a servant of the Mother and Defender of the Arnen. Having protected his fellow countrymen, he continues his battle against the sinister Kesh wizards, but he does not fight alone. Aided by unlikely allies, he presses his attacks to liberate Ulatha and its people. The Kesh continue to dominate the realms of Agon, enslaving those of neighboring realms and seeking to obtain the one artifact that will ensure their perpetual domination of Agon forever. Meanwhile, ancient evils stir from their long slumbers, moving to ensnare all within their reach as Dor Akun, Father Death approaches. Evil prepares to cover the land and only one thing stands in its way, a simple Ulathan family that goes by the name of Terrel.

Move Beyond the Fear of Death and Integrate Its Powerful Energy As the Last Leaf Falls is a guide to death and the mysterious world beyond. The rituals, meditations, and exercises are designed to bring you on a journey of discovery through the most profound of all human transitions. Filled with insight and practical guidance, this book shows you how to honor family and friends in spirit and discover the life-affirming aspects of every state of existence. Join renowned Druid priest Kristoffer Hughes as he explores the three Celtic realms of existence—the realm of necessity, the realm of spirit, and the realm of infinity—and illuminates the reality of spiritual continuation. Challenging many status quo beliefs about the afterlife, this illuminating volume supports the important work of confronting death and absorbing its meaning into the core of your spirit. (This book was previously published as The Journey
