The Kid Stays In Picture

The title comes from a line attributed to studio head Darryl F. Zanuck. Several of the actors involved in the film *The Sun Also Rises* (1957) (as well as author Ernest Hemingway himself) had insisted Evans be removed from the cast. Zanuck refused: "The kid stays in the picture! And anyone who doesn't like it can quit!"

"The kid stays in the picture" he thundered and that's what happened. A seed was planted in Evan's fertile brain. Even famous, highly-paid "talent" are pawns. The studio heads have the real power. Lacking the self-discipline to learn the craft of acting, Evans went to work for his brother as a high-end clothing rep in southern California. It made him a millionaire before he was 30 and brought ...

For a motion picture, *The Kid Stays in the Picture* uses surprisingly little motion picture footage. Instead, it draws mainly on source photos and the vivid narration by Robert Evans, based on his popular autobiography. We know that he is telling a tale and much has been embellished, but it is so much fun that we don't mind.

Clips from THE KID STAYS IN THE PICTURE - YouTube

"The Kid Stays in the Picture" is narrated by Evans himself, in a gravely, seen-it-all, told-it-all tone of voice. The film edits out some details, such as his other marriages, but only for purposes of time, we feel. Certainly nothing is papered over; Evans sounds like a man describing an accident he barely survived.

The motion picture producer describes his early career as an actor, liasons with actresses, rise to powerful studio executive, time in a mental institution, drug use, loss of status in Hollywood, and rise back to power.

"A sequel better than any[one] could have anticipated . . . even readers who've never heard of Evans will find this to be both entertaining and inspiring." —Publishers Weekly (starred review) In this innovative digital edition, legendary Hollywood producer Robert Evans ' s story is brought to life like never before. The Robert Evans Collection includes the full texts of his two memoirs, the classic *The Kid Stays in the Picture* and *The Fat Lady Sang*, along with rare and exclusive video and audio clips, and never-before-seen photos and memorabilia from Evans ' s personal collection.

In 1967, Peter Bart, then a young family man and rising reporter for the New York Times,

## Download Free The Kid Stays In Picture A Notorious Life Ebook Robert Evans

decided to upend his life and enter the dizzying world of motion pictures. *Infamous Players* is the story of Bart's whirlwind journey at Paramount, his role in its triumphs and failures, and how a new kind of filmmaking emerged during that time. When Bart was lured to Paramount by his friend and fellow newcomer, the legendary Robert Evans, the studio was languishing, its slate riddled with movies that were out of touch with the dynamic sixties. By the time Bart left Paramount, in 1975, the studio had completed a remarkable run, with films such as *The Godfather*, *Rosemary's Baby*, *Harold and Maude*, *Love Story*, *Chinatown*, *Paper Moon*, and *True Grit*. But this new golden era at Paramount was also fraught with chaos and company turmoil. Drugs, sex, runaway budgets, management infighting, and even the Mafia found their way onto the back lot, making Paramount surely one of the most unpredictable, even bizarre, studios in the history of the movie industry. Bart reflects on Paramount's New Hollywood era with behind-the-scenes details and insightful analysis; here too are his fascinating recollections of the icons from that time: Warren Beatty, Steve McQueen, Robert Redford, Clint Eastwood, Jack Nicholson, Marlon Brando, Al Pacino, Francis Ford Coppola, Roman Polanski, and Frank Sinatra, among others. For over four decades, first on the inside as a studio executive and later as the longtime editor in chief of *Variety*, Peter Bart has viewed Hollywood from an incomparable vantage point. The stories he tells and the lessons we learn from *Infamous Players* are essential for anyone who loves movies.

"The Hollywood memoir that tells all . . . Sex. Drugs. Greed. Why, it sounds just like a movie."--*The New York Times* Every memoir claims to bare it all, but Julia Phillips's actually does. This is an addictive, gloves-off expos from the producer of the classic films *The Sting*,

## Download Free The Kid Stays In Picture A Notorious Life Ebook Robert Evans

Taxi Driver, and Close Encounters of the Third Kind--and the first woman ever to win an Academy Award for Best Picture--who made her name in Hollywood during the halcyon seventies and the yuppie-infested eighties and lived to tell the tale. Wickedly funny and surprisingly moving, You'll Never Eat Lunch in This Town Again takes you on a trip through the dream-manufacturing capital of the world and into the vortex of drug addiction and rehab on the arm of one who saw it all, did it all, and took her leave. Praise for You'll Never Eat Lunch in This Town Again "One of the most honest books ever written about one of the most dishonest towns ever created."--The Boston Globe "Gossip too hot for even the National Enquirer . . . Julia Phillips is not so much Hollywood's Boswell as its Dante."--Los Angeles Magazine "A blistering look at La La Land."--USA Today "One of the nastiest, tastiest tell-alls in showbiz history."--People

In this “dishy...superbly reported” (Entertainment Weekly) New York Times bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed Easy Riders, Raging Bulls, Peter Biskind “takes on the movie industry of the 1990s and again gets the story” (The New York Times). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans

## Download Free The Kid Stays In Picture A Notorious Life Ebook Robert Evans

were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck, Ethan Hawke, and Uma Thurman. Candid, controversial, and “sensationally entertaining” (Los Angeles Times) *Down and Dirty Pictures* is a must-read for anyone interested in the film world.

*Hit and Run* tells the improbable and often hilarious story of how two Hollywood film packagers went on a campaign to reinvent themselves as studio executives -- at Sony's expense. Veteran reporters Nancy Griffin and Kim Masters chronicle the rise of Jon Peters, a former hairdresser, seventh-grade dropout, and juvenile delinquent, and his soulless soul mate, Peter Guber -- and all the sex, drugs, and fistfights along the way. It is the story of the ultimate Hollywood con job and the standard by which every subsequent business blunder has been measured. *Hit and Run* delivers rock-solid business reporting liberally laced with inside gossip and outrageous scandal -- plus a new afterword bringing us up to date on the latest fallout from the Guber-Peters legacy.

Beginning in the William Morris mail room in 1955, Bernie Brillstein wanted only three things: “to walk into a restaurant and have people know who I am...to be the guy who gets the phone calls and doesn't have to make them...to represent the one performer people must have.” Throughout his long career at the top of the entertainment industry—as TV and movie producer, agent and brilliant personal manager—Brillstein has accomplished it

## Download Free The Kid Stays In Picture A Notorious Life Ebook Robert Evans

all. Where Did I Go Right? is Brillstein ' s street-smart, funny, and thoroughly human story of a life in show business. With his trademark wit and candor, he speaks out for the first time about his feud with Mike Ovitz, and how it felt to pass the leadership of his company to his partner, Brad Grey, and “ no longer be the king. ” He describes his close relationship with John Belushi and what it was like being alone with Belushi ' s body as it lay “ stretched out across two cramped seats in a tiny jet, wrapped up in a body bag ” on the way to his funeral. He shares stories about Jim Hensen and Gilda Radner, about Lorne Michaels and the early days of Saturday Night Live. He takes us behind the scenes at such hits as The Blues Brothers, Ghostbusters, and The Muppet Show. Brillstein also reveals his secrets about how to survive and prosper in Hollywood, the real meaning of “ the art of the deal, ” the difference between “ hot ” and “ good, ” and why instinct is so crucial to the future of the entertainment industry. “ Becoming successful is the most fun of all. I ' m not talking about being successful or staying successful. I mean the getting there, the instant you arrive, and for the first time you think, ‘ Where did I go right? ’ ” After eight years, Phoenix Books is re-releasing this bestseller, with an updated epilogue from Bernie Brillstein entitled, “ Still going right. ”

From the New York Times bestselling author of Fifth Avenue, Five A.M. and Fosse comes the revelatory account of the making of a modern American masterpiece Chinatown is the Holy Grail of 1970s cinema. Its twist ending is the most notorious in American film and its closing line of dialogue the most haunting. Here for the first time is the incredible true story of its making. In Sam Wasson's telling, it becomes the defining story of the most colorful characters in the most colorful period of Hollywood history. Here is Jack Nicholson at the height of his

## Download Free The Kid Stays In Picture A Notorious Life Ebook Robert Evans

powers, as compelling a movie star as there has ever been, embarking on his great, doomed love affair with Anjelica Huston. Here is director Roman Polanski, both predator and prey, haunted by the savage death of his wife, returning to Los Angeles, the scene of the crime, where the seeds of his own self-destruction are quickly planted. Here is the fevered dealmaking of "The Kid" Robert Evans, the most consummate of producers. Here too is Robert Towne's fabled script, widely considered the greatest original screenplay ever written. Wasson for the first time peels off layers of myth to provide the true account of its creation. Looming over the story of this classic movie is the imminent eclipse of the '70s filmmaker-friendly studios as they gave way to the corporate Hollywood we know today. In telling that larger story, *The Big Goodbye* will take its place alongside classics like *Easy Riders*, *Raging Bulls* and *The Devil's Candy* as one of the great movie-world books ever written. Praise for Sam Wasson: "Wasson is a canny chronicler of old Hollywood and its outside personalities...More than that, he understands that style matters, and, like his subjects, he has a flair for it." - *The New Yorker* "Sam Wasson is a fabulous social historian because he finds meaning in situations and stories that would otherwise be forgotten if he didn't sleuth them out, lovingly." - *Hilton Als*

A celebration of the brave, drunken pioneers who built our civilization one seemingly bad decision at a time, *A Brief History of Vice* explores a side of the past that mainstream history books prefer to hide. History has never been more fun—or more intoxicating. Guns, germs, and steel might have transformed us from hunter-gatherers into modern man, but booze, sex, trash talk, and tripping built our civilization. Cracked editor Robert Evans brings his signature

## Download Free The Kid Stays In Picture A Notorious Life Ebook Robert Evans

dogged research and lively insight to uncover the many and magnificent ways vice has influenced history, from the prostitute-turned-empress who scored a major victory for women ' s rights to the beer that helped create—and destroy—South America's first empire. And Evans goes deeper than simply writing about ancient debauchery; he recreates some of history's most enjoyable (and most painful) vices and includes guides so you can follow along at home. You ' ll learn how to:

- Trip like a Greek philosopher.
- Rave like your Stone Age ancestors.
- Get drunk like a Sumerian.
- Smoke a nose pipe like a pre-Columbian Native American.

“ Mixing science, humor, and grossly irresponsible self-experimentation, Evans paints a vivid picture of how bad habits built the world we know and love. ” —David Wong, author of *John Dies at the End*
