Examines the total cost of salt and calcium magnesium acetate (CMA), including the indirect cost of application and indirect costs to the environment, infrastructure, and motor vehicles. This report focuses on defining the true cost of salt, which is the most popular deicer and the standard of comparison for most other deicing products.

This book is a critical historical analysis of leadership thought in the Western tradition, examining Classical Greek, medieval and modern social scientific theories of leadership, focussing on the assumptions and effects which arise from these ways of understanding leadership and offering a new basis for leadership theory-building.
