I've always enjoyed the first side of Anthem of the Sun, but I prefer these straight concert recordings on Vault 2 to Anthem's sound collages. And now it comes with a third disk - which might seem like a reason to get the box set. This adds Alligator>Caution>Feedback. This adds up to around 35 minutes, a short CD.

Fabulous collection of romances around 3 best friends and the secretive sex club they built, The Vault. Add in a set of strong, sexy women and this is the perfect formula for wonderfully erotic escapism. Shot of Sin: Fabulously sexy and drama filled. I totally got sucked into Shay and Leo's drama.

All twelve volumes in a beautifully produced box set, perfect for Wizarding World fans everywhere. Harry Potter: Film Vault compiles the filmmaking secrets and visionary artistry behind the Harry Potter films into twelve deluxe collectible volumes. Intricately designed and packed with concept art and unit photography from the Warner Bros. archive, each volume in the series gives fans striking insights about bringing the Wizarding World to the big screen.

Discover the filmmaking secrets behind the magical creatures of the Forbidden Forest, the Black Lake, and beyond. From centaurs to merpeople and horn-tailed dragons, magical creatures and terrifying beasts are key characters in the Harry Potter films. Harry Potter: Film Vault: Volume 1: Forest, Lake, and Sky Creatures features illustrations and behind-the-scenes photography that give fans an in-depth look at the development and creation of the magnificent creatures seen throughout the movies. The Film Vault compiles the filmmaking secrets and visionary artistry behind the Harry Potter films into a series of twelve deluxe collectible volumes. Intricately designed and packed with gorgeous concept art and unit photography from the Warner Bros. archive, each volume in the series gives fans striking insights about bringing the Wizarding World to the big screen. Included in each book is a collectible art print, making this series a must-have for all Harry Potter fans and collectors everywhere.

Fronted by irrepressible, idiosyncratic, and frequently death-defying singer Ozzy Osbourne, Black Sabbath began its bumpy road to fame with a sound that rocked harder, deeper, and “uglier” than anybody else’s. Albums likeBlack Sabbath and Paranoid warped the sensibilities of several generations and are regarded as two of the finest rock records ever made. The years since their ascent have seen fights and reconciliations, crazy excess and bouts of self-destruction, but their popularity remains as vast and durable as their mythological status. Written by a leading music journalist and illustrated throughout with rare and previously unpublished photographs,Black Sabbath: The Vault is the ultimate interactive celebration of the iconic head-banging metal group. Twenty items of rare, removable facsimile memorabilia, including posters, tickets, flyers, and photographs, give the reader a front-row seat (and a backstage pass) to the career of these true legends of rock.

An exhibitionist's playground... A voyeur's delight. ????? "This is the hottest box set I have ever read!" Amazon reviewer.A Shot of SinShe's his employee.Entirely off limits. A tempting fantasy Leo should have kept at arm's length and admired from afar.He knew exposing an inhibited woman to his darkest desires would be a mistake, but the lapse in judgment had been inevitable. He can't resist her. Not her body. Not her sass. Now everything he's worked for hangs in the balance along with her clearly marked boundaries.Union of SinShe's his wife.His everything.Tate made a big mistake. He picked the wrong place to introduce his wife to the alluring lifestyle they'd once fantasized about. Now he'll do anything to protect her from another traumatic experience, even if it means making the agonizing choice to let her go.Brutal SinShe's a woman without flaw. He's a man with many.Bryan is ruthless, heartless, and more than a little proud of his notorious reputation, until his bad attitude threatens to strip him of the one place he can't live without. His sanctuary. The Vault. The exclusive club is the only place he feels at home, and he'll do whatever it takes to reclaim what is his. Even if it means asking for help from the woman who landed him in trouble in the first place.These men will push boundaries. Then break them.Warning: This adult club does not carry the government's stamp of approval. Contains devilish debauchery, delightful deviance, and dancing on the edge of the darkest of desires.

On May 8, 1977, at Barton Hall, on the Cornell University campus, in front of 8,500 eager fans, the Grateful Dead played a show so significant that the Library of Congress inducted it into the National Recording Registry. The band had just released Terrapin Station and was still finding its feet after an extended hiatus. In 1977, the Grateful Dead reached a musical peak, and their East Coast spring tour featured an exceptional string of performances, including the one at Cornell. Many Deadheads claim that the quality of the live recording of the show made by Betty Cantor-Jackson (a member of the crew) elevated its importance. Once those recordings—referred to as "Betty Boards"—began to circulate among Deadheads, the reputation of the Cornell '77 show grew exponentially. With time the show at Barton Hall acquired legendary status in the community of Deadheads and audiophiles. Rooted in dozens of interviews—including a conversation with Betty Cantor-Jackson about her recording—and accompanied by a dazzling selection of never-before-seen concert photographs, Cornell '77 is about far more than just a single Grateful Dead concert. It is a social and cultural history of one of America’s most enduring and iconic musical acts, their devoted fans, and a group of Cornell students whose passion for music drove them to bring the Dead to Barton Hall. Peter Connors has intimate knowledge of the fan culture surrounding the Dead, and his expertise brings the show to life. He leads readers through a song-by-song analysis of the performance, from "New Minglewood Blues" to "One More Saturday Night," and conveys why, forty years later, Cornell '77 is still considered a touchstone in the history of the band. As Connors notes in his Prologue: "You will hear from Deadheads who went to the show. You will hear from non-Deadhead Cornell graduates who were responsible for putting on the show in the first place. You will hear from record executives, academics, scholars, Dead family members, tapers, traders, and trolls. You will hear from those who still live the Grateful Dead every day. You will hear from those who would rather keep their Grateful Dead passions private for reasons both personal and professional. You will hear stories about the early days of being a Deadhead and what it was like to attend, and perhaps record, those early shows, including Cornell '77."

Craft your own glass of Nuka-Cola, a bowl of BlamCo Mac & Cheese, and more with the recipes in Fallout: The Official Cookbook. Based on the irradiated delicacies of the world of Bethesda Entertainment’s Fallout, this Vault-Tec–approved cookbook provides fans of the award-winning series with recipes inspired by their favorite Fallout foods. Whip up tasty versions of the Mirelurk egg omelette, throw some deathclaw meat on the grill, and re-create BlamCo Mac & Cheese with Fallout: The Official Cookbook.

~~Amazon.com: Customer reviews: From the Vault Box Set~~

In his quest for total domination, Darth Sidious compiled six legendary dark side texts detailing Sith history and philosophy by Sorzus Syn, Darth Malgus, Darth Bane, Mother Talzin, Darth Plagueis, and himself. Together these documents form the Book of Sith. Over the centuries, the texts were passed among Force users who left handwritten notes and annotations in the margins, including Darth Vader, Yoda, Mace Windu, and Luke Skywalker, among others. Collected by acclaimed Star Wars writer Daniel Wallace and embellished by numerous esteemed Star Wars illustrators, this volume introduces new characters and history, and delves deeper into understanding the philosophies and methods behind the dark side of the Force.

Falling in love will be brutal. Bryan is ruthless, heartless, and more than a little proud of his notorious reputation, until his bad attitude threatens to strip him of the one place he can,t live without. His sanctuary. The Vault. The exclusive club is the only place he feels at home, and he,ll do whatever it takes to reclaim what is his. Even if it means asking for help from the woman who landed him in trouble in the first place. Pamela may have become weak-kneed over Bryan,s talented hands once before, but this self-empowered widow isn,t stupid enough to want more from the sanctimonious ass. Nope. At least that,s what she tells herself before he turns up at her café, offering to refresh her memory on his skilled fingers and filthy words in exchange for a favor. He needs her to set things straight in the Vault. She needs him to satisfy the cravings of fulfilment she,s been missing. It,s a match made in hedonistic heaven, until hostility turns to lust, and lust into passion, capturing them both in an emotional web neither one of them want to be ensnared in. Warning: This is an exhibitionist,s playfield and a voyeur,s delight, but dominance always rules. Throw in teasing, torture, and a gag or two, and you,ve got yourself another night of debauchery within the carnal walls of the Vault of Sin.
