Browse In Classical Studies - Very Short Introductions ...

Classical mythology is kept alive if the stories are being used and retold. It is a continual process of telling, retelling, provoking, reacting, analysing, and revising. The Conclusion summarizes the influence of classical myths through the ages and today, and argues that myths operate relationally to other representations of the same story and in relation to other myths.

Conclusion - Very Short Introductions

This imaginative and stimulating Very Short Introduction goes beyond a simple retelling of the stories to explore the rich history and diverse interpretations of classical mythology. It is a wide-ranging account, examining how classical myths are used and understood in both high art and popular culture, taking the reader from the temples of Crete to skyscrapers in New York, and finding classical myths in a variety of unexpected places: from Arabic poetry and Hollywood films, to ...
