Trade union gets existence under monopolistic competition. The trade union bargains with the employer on the issue of wage rate.

Generally, trade unions negotiate wages to be given to labor with employers. This process of negotiating wages is called collective bargaining.

Determination of Wage Rate by

Collective Bargaining

The collective bargaining process begins with some sort of labor disagreement, when a union or group of workers doesn't see eye to eye with an employer on a particular employment issue. The first stage of the process involves preparation, where each side chooses a representative to represent their
