...  
Series Book 1

After reading Mr. Hunt's, Days of Panic and not wanting it to end, I ordered and read Days of Chaos and loved the way it picked up from the first book. The characters are real and the situations are scary and fast-paced. I will now order the latest third book in this series. Love them!

## **Attacks Last: Duration, Coping, and More**

Panic attacks may come on suddenly and without warning at first, but over time, they're usually triggered by certain situations. Some research suggests that your body's natural fight-or-flight response to danger is involved in panic attacks. For example, if a grizzly bear came after you,
