Guided Reading And Study

Guided reading can be defined as a practice in which you, as the teacher, assist your students in navigating the reading process. Reading is about more than just recognizing and reciting words on a...

What is Guided Reading? - Definition & Levels | Study.com

Guided reading is a reading program that involves a teacher – or other adult – working with a small group of children who are reading at or around the same level. This is not just ordinary reading practice. As the children read, the teacher supports them as they tackle reading material that is a little challenging for them.

Guided Reading Lesson Plans | Study.com

Guided reading is concerned with the teaching of reading; it is not just about hearing children read. There should be a specific focus and learning objective for the reading session. Guided reading includes not only the decoding of a text, but also the understanding and interpreting of that text. Students should engage with the text, critically evaluating it and reflecting on their responses to it, bringing prior knowledge to their understanding of the text.

What Are the Advantages & Disadvantages of Guided Reading ...

Guided reading was specifically structured to avoid some of the pitfalls of traditional reading groups while still making it possible for teachers to match books to readers and support successful processing. Guided reading was designed with the features that eliminated the drawbacks of traditional reading groups (see Holdaway, 1979; Clay, 1991).
