Iso Flanges And Fittings

ISO flanges provide a complete range of fittings to mount with tubing sized 1/2 inch up to 20 inches in diameter. The flange system consists of two sexless, 360° rotatable flanges, a centering ring for alignment and support of the sealing ring and a fastener to compress the seal between the two flanges.

ISO Flanges and Fittings | Flyvacuum

The ISO-KF connection (to DIN 28 403 and ISO 2861) permits rapid fitting and replacement of components in vacuum systems. It consists of two symmetrical ISO-KF flanges (1), a centering ring with O-ring gasket (2) and a clamping ring (3).

Flanges and Fittings ISO-KF, ISO-K, ISO-F, CF

Our ISO-KF vacuum flange fitting and component system is a modular, building block method for creating 0.75 to 4 inch vacuum piping systems. Series 31 ISO-KF vacuum fittings provide several advantages. They use standardized dimensions allowing ISO KF elbows, tees, crosses or valves for a given size to be interchanged.

ISO-KF Vacuum Flange - MKS Instruments

ISO flanges are universally sized by the nominal I.D. (in, mm) of the largest tube that can be welded to the flange. The standard sizes are: 63, 80, 100, 160, 200, 250, 320, 400, 500, and 630. The ISO-K is convenient and has the smallest flange O.D. for any given tube I.D. The ISO-F offers greater strength when used as a structural element.

Kurt J. Lesker Company | ISO Flanges Technical Notes ...

Vacuum Fittings and Flanges We offer ISO-KF, ISO-MF, ISO-BF, CF (ConFlat), and welded style vacuum fittings, vacuum flanges, and vacuum components for semiconductor and industrial applications. Please see Vacuum Flanges & Fittings on mksinst.com for additional products & configurations.

ISO Flanges & Fittings - Demaco

ISO Vacuum Fittings Overview The ISO range of flanges and fittings are manufactured from high quality stainless steel. All configurations (shown Fig 2) use an 'O' ring seal (made of Nitrile or Viton) held in place by a centering ring & tightened together using wall clamps, double claw clamps or bolts. There are various types of ISO flanges:
