LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Raj The Making Unmaking Of

There is an intriguing puzzle at the center of the "The Raj: The Making and Unmaking of British India." How did a relatively tiny island nation thousands of miles away subjugate and then for a century rule a subcontinent populated by hundreds of millions of natives with a proud history of self-government, literature, architecture, and warfare?
