The main advantage of Real Estate Finance and Investments is that covers a much broader set of topics than we do. Linneman also takes the time to cover topics, such as the time value of money and IRR, that we skip because of coverage in other courses on the site. So his book could be a good prerequisite for the course we offer.

Book Review: Real Estate Finance and Investments

Despite the ups and downs of the real estate market, most properties increase in value over the long term. The fancy investing word for an increase in value is called appreciation. And the key to buying real estate that appreciates is location. You want to buy in a part of town that's on an upward climb in terms of value.
