Spanning a period consisting of a good portion of the Clone Wars and the early years of the Empire, 'Catalyst' charts the lives of several of the key characters from 'Rogue One'. For the most part, this means the focus is upon the relationship between Galen Erso and Orson Krennic; how their friendship has developed into Krennic manipulating Galen into working for the Empire.

Catalyst is definitely setting the stage for the Rogue One movie, but it's interesting enough to stand on its own. The book introduces us to the Erso family - genius scientist Galen, adventurer/explorer Lyra, and their daughter Jyn. Jyn, one of the main characters in the upcoming movie, is young enough in the book to be a peripheral character.
