The Great Secret by Eliphas Lévi - Goodreads

There is certainly a terrible secret as far as that is concerned: it is that of responsibility. The father answers for the children, the master for his servants, and the intelligent man for the unintelligent herd. Redemption comes through all superior men; folly suffers, but only the spirit atones.

The magic propagated by Eliphas Lévi became a great success, especially after his death. That Spiritualism was popular on both sides of the Atlantic from the 1850s contributed to this success. However, Lévi diverged from spiritualism and criticized it, because he believed only mental images and "astral forces" persisted after an individual died, which could be freely manipulated by skilled magicians, unlike the autonomous spirits that Spiritualism posited.
