The Guns of August (1964) - IMDb

The Guns of August, is a volume of history by Barbara W. Tuchman. It is centered on the first month of World War I. After introductory chapters, Tuchman describes in great detail the opening events of the conflict. Its focus then becomes a military history of the contestants, chiefly the great powers. The Guns of August thus provides a narrative of the earliest stages of World War I, from the decisions to go to war, up until the start of the Franco-British offensive that stopped the German advance.

Guns of august pt 1

With the centenary of the outbreak of the great war, there is a plethora of new literature on the subject. The guns of august still stands tall as an outstanding introduction to the reasons behind WW1. I wasn't sure about the narrator initially, but after the 1st chapter I got used to his voice(s) and by the end was enthralled.
